

23 August 1950

Captain H. G. Felt, USN
Chief of Staff
Naval War College
Newport, Rhode Island

Dear Captain Felt:

In accordance with your request of 17 August 1950 addressed to Admiral Hillenkoetter, I attach a background statement and short outline of my presentation to the Naval War College.

I will arrive in Providence on the Federal and will meet the driver of the official car at the desk of the Sheraton-Biltmore Hotel.

Since this will be my first visit to Newport, even though I have frequently been to Providence, Quonset Point and Davisville, I will schedule my return trip to Washington in keeping with your suggestion, leaving Providence on the Shoreliner at 10:05 P. M.

I look forward to meeting you a week from next Friday.

Very sincerely yours,
